Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

A Princess of Mars

Edgar Rice Burroughs

A Princess of Mars

Part One of Edgar Rice Burroughs's Mars-Series. Easy, swank, pulp read about an omnipotent gentleman teleported to Mars, finding an outlandish society of ape-, tree- and lizardmen, red-, white-, yellowmen, brains on legs, strange bastions and curious apparatuses, where the strongest survives and women are needy beauties to be saved. How can something be so platitudinous and at the same time so imaginative and enthralling? (Summary by Stephan)
